

Sri Jitendriya Behera: A Frontier Community Worker

Sri Jitendriya Behera, working as Community Resource Person (CRP) for facilitating in implementation of programme in Rugudakudar & Netrabahal village in PBDA, Rugudakudar, Deogarh from 2018.

Sri Behera, have keen interest in farming and eager to adopt & disseminate new technology to the farmers of different villages. Many more activities are being promoted in operational villages under his able guidance and facilitation.

He has leadership quality and ability to motivate the farmers to adopt various interventions of OPELIP such as Saal leaf bowl pressing unit, cultivation of sunflower in 10 ha area followed by oil extraction unit and promotion of model cluster of 10 ha.

His personality and traits are well accepted by the local community, he is able to motivate the SHGs to adopt production of certified green gram seeds.

Last but not the least, a canal was repaired with his close supervision & irrigation facility is provided to 20 ha area throughout the year.

After reaping the success of various activities by the community, the people are giving status of a frontier local hero to Mr. Behera for his dedicated contribution.
