

The Journey of Puspanjali in OPELIP

Pushpa Majhi, is a tribal resident of Tangankana village, Lanjigarh block of Kalahandi. She is just a matriculate having family with husband, a child & in-laws, who lead a normal life amidst the people cultured with traditional values and thoughts. She owes a good understanding to cater the need of community being a good motivator, soft-spoken and publicly appreciated person due to her dedication and passion to work for the society.

She is working as a Community Resource Person (CRP) at Tangankana-OPELIP Unnayan Sangha (VDA) under KutiaKandha Development Agency (KKDA), Lanjigarh from 2017.

During her association with the programme, she has been instrumental to community towards various livelihoods initiatives. Different activities such as good usage of **package of practices (POP) in agriculture i.e.** for Line Sowing / Line Transplanting, SRI, and **Developing Clusters for Sun Flower & Lemon Grass Cultivation** were being promoted by her. Apart from that she is also indulged in **activating** 100 defunct / dormant job cards **under MGNREGS**. She took initiative in coordinating with Anganwadi & ASHA worker for better health facilities. Different hygienic & sanitation

activities were also facilitated by her in providing IHHL under Swachh Bharat Mission to make the village clean.

Involvement of community resource person (CRP) with all of the above activities makes her exemplary from others and she has been well accepted and popularised by villagers as well as other.
